AVPro Global adds European Shipping Capability

AVPro Global Holdings LLC, parent company of AVPro Edge, AudioControl Pro, Bullet Train, Murideo, and Thenaudio AV distribution products, today announced the addition of a European warehouse serving all AVPro brands, significantly reducing delivery times to integrators across the EU. Order began shipping from the new facility on May 9th, 2025. AVPro is committed to providing the best products and services to technology integrators around the world. For European customers, the new warehouse, based in the Netherlands, will hasten deliveries - integrators can expect products from AVPro Edge, AudioControl Pro, Bullet Train, Murideo, and Thenaudio to reach nearly any location across Europe in 2-3 days.

“We are excited to announce that AVPro Global has begun warehousing and shipping our full portfolio of brands from The Netherlands,” explained James Trumper, VP, International Sales at AVPro Global. “Access to local inventory enables us to fulfill orders faster and more efficiently than ever before, providing greater value, reliability, and speed to our customers and international partners.”
