LCAVI New AVPro Global Distributor

AVPro Global Holdings LLC, parent company of AVPro Edge, AudioControl Pro, Bullet Train, RTI, ProControl, ThenAudio, and Murideo, announced the appointment of LCAVI as their distributor of residential audio, video, and control solutions, representing the AudioControl, AVPro Edge, and RTI brands in France. Based in Maulette, France, LCAVI is value-added distributor for professional audio/visual and smart home integration solutions serving AV specialists in France. LCAVI is known for providing exceptional product training, design services, and technical support, empowering dealers across the region.

“We are thrilled to team up with LCAVI in France and look forward to bringing best-in-class entertainment and smart home solutions to top integrators across the region,” explained James Trumper, VP, International Sales at AVPro Global. “This is an important European market, and we are confident that the LCAVI team will connect our brands with leading specialist dealers and installers across France.”

“We are excited to represent the AudioControl, AVPro Edge, and RTI brands, providing sales and support services to top integrators here in France,” explained Raphael Tabutin, CEO of LCAVI. “These engineering-driven solutions create important opportunities for AV integrators, and we are confident that our network of dealers will find much success with these product lines.”
