

ISE 2025 launched Registration

ISE 2025 has officially launched registration last week. Complete connection is the only way to keep pace with tomorrow, and restoring connection begins today. ISE is where the audiovisual and systems integration industry turns to reconnect – with state-of-the-art innovations, mind-bending experiences, and a wealth of networking and learning opportunities. Backed by two leading associations in the commercial (AVIXA) and residential (CEDIA) AV sectors, ISE is where you stretch the boundaries of possibilities through AV technology. Watch a 60 seconds video of what to expect [here](#).

Key Facts about ISE 2024:

- 73,891 attendees
- 82,000 m²
- 334 expert speakers
- 9 conferences and an extensive additional content programme

You can register for the ISE via [this link](#).
