Lilian Donat New dBTechnologies Account Manager

Since March 2024, Lilian Donat has joined the team at dBTechnologies Deutschland GmbH as a new Account Manager. Lilian Donat brings with her extensive experience from the media and event industry, having held positions at companies such as RTL and Event Solution VA Technik. In her new role, she works at the interface between sales, service, and management of dBTechnologies Deutschland.

Lilian Donat on her new position at dBTechnologies Deutschland GmbH: "I am very much looking forward to my new role. It is particularly exciting for me to help develop the company in its new configuration and to push the products of the dBTechnologies and Montarbo brands further into the market."

Harald von Falkenstein on Lilian Donat's hiring at dBTechnologies: "With Lilian, we are able to welcome another skilled and competent colleague to our ranks. She has profound experience in accounting and also in the internal processes of a company like ours. With so much knowledge and energy from the new colleagues, we will continue to develop dBTechnologies Deutschland GmbH and advance the presence of our core brands' products. I look forward to many new joint projects and milestones."

dBTechnologies Deutschland GmbH has restructured and is responsible for the sales
