

## Modern Solutions Plus New XTA/MC<sup>2</sup> Distributor for Thailand

UK DSP and amplifier technology manufacturing partners XTA and MC<sup>2</sup> have appointed Modern Solutions Plus as their exclusive distributor for Thailand. Modern Solutions Plus distributes a number of leading global brands in Thailand as well as being a successful designer and integrator of audio systems across the country. Commenting on behalf of XTA/MC<sup>2</sup> Richard Fleming (pictured left) looks forward to establishing a productive relationship with Modern Solutions Plus:

“Modern Solutions Plus is a long-established, highly-regarded company with an excellent understanding of this rapidly expanding market. Its expert team combine a detailed knowledge of the products they distribute with vast experience of advising and supplying clients across the installation and touring sectors, and so are perfectly placed to represent XTA/MC<sup>2</sup> in Thailand.” Suttipun ‘Mac’ Youngnek, Founder of Modern Solutions Plus (pictured right) adds: “The global reputations which XTA and MC<sup>2</sup> have built over the years speaks volumes for the quality of their premium amplification products. We’re delighted to be adding the brands to our portfolio and sharing the benefits of these market-leading technologies with our customers.”
