

MONACOR INTERNATIONAL New Pöschel Distributor

MONACOR INTERNATIONAL strengthens their brand portfolio. As of now, they take over the exclusive distribution in Europe for the long-established German speaker brand Pöschel. Since 1947, the speaker manufacturer, located in Flein near Stuttgart, has developed and produced high-end audio solutions for industrial and commercial applications. Pöschel stands for first-rate audio technology, made and engineered in Germany. The novelties by Pöschel in the MONACOR INTERNATIONAL product range include, amongst others, wall and ceiling speakers, sound projectors, a/b speakers, column speakers, horn speakers, as well as special speakers, each with various ways to adjust.

“With Pöschel, we gain a partner who convinces with decades of experience and uncompromising quality in audio technology. The expansion of our portfolio with these premium speakers emphasises our commitment to exceptional audio solutions,” says Thomas Mikus, Managing Director of MONACOR INTERNATIONAL. MONACOR INTERNATIONAL’s objective is a sustainable long-term cooperation in the field of professional audio with the company Pöschel.

The products of Pöschel come with a seven-year warranty. Even in large quantities, they are available within a short production time. Customised proposals can be requested anytime from the MONACOR INTERNATIONAL sales team at [sales-germany\(at\)monacor.de](mailto:sales-germany(at)monacor.de).
