QV Sound: New Voice-Acoustic distributor in Viet Nam

Voice-Acoustic, German manufacturer of high-quality sound reinforcement systems announces to enter into a strategic agreement with QV Sound. Effective January 1st, QV Sound will be appointed as the exclusive distributor in Viet Nam.

QV Sound, based in Ho Chi Minh City, distributes many international brands throughout Viet Nam. With many years of expertise in the professional audio and entertainment market, QV Sound's support team also provides advanced technical support and service to system designers and installers.

“After hearing the introduction and demonstration at Prolight + Sound 2019 in Frankfurt, I was deeply impressed by the quality, performance and craftsmanship of the Voice Acoustic products. Since then, we have closely followed Voice-Acoustic's further development and are very enthusiastic about their innovative loudspeaker solutions”, says Quoc Nguyen, Business Development Manager of QV Sound. “The aesthetic design of the speakers is compact but delivers a high level of efficiency and performance, Alea-4 and Score-5 are the perfect examples. I think Voice-Acoustic fits very well into the QV Sound portfolio to meet the demands of high-end customers: superior sound quality, convincing price/performance ratio and strong support. The QV Sound team and I look forward to establishing the Voice-Acoustic brand in the Vietnamese market.”

“We are very pleased to welcome QV Sound as a new distributor for Voice-Acoustic

in Viet Nam”, says Jürgen Bachthaler, International Sales Manager of Voice-Acoustic. “The market has changed dramatically due to the Corona crisis. However, this change also offers the opportunity to expand business fields and open up new ones. With Voice-Acoustic, QV Sound will be able to offer its existing and new pro audio customers high-quality and innovative sound reinforcement solutions, Made in Germany.”
