sE Electronics V7 RED & V7 White

The V7 RED and the V7 White are color variants of the awarded V7, a dynamic vocal hand-held microphone with a supercardioid polar pattern. The spicy looking V7 RED delivers a crisp, open sound that perfectly captures your voice and instruments in the most natural way you've ever heard on stage while offering vast amounts of gain-before-feedback. It is recommended for vocals, speech, broadcasting, podcasting, electric guitar and drums.

Highlights:

- Vast amounts of gain before feedback
- Captures your voice in the most natural way you've ever heard on stage
- Pristine white finish
- All-metal housing and beveled spring grille
- Available as wireless capsules for Shure and Sennheiser
- Specialized supercardioid aluminum voice coil
- Patented integrated shockmount
