LAV Projekt New Renkus-Heinz Distributor for Croatia

Globally recognised loudspeaker manufacturer Renkus-Heinz continues to reinforce its presence throughout Europe, this time with an exclusive distribution agreement with LAV Projekt d.o.o. Specialist AV solutions provider and distribution experts, LAV Projekt has been appointed the exclusive distributor for Renkus-Heinz throughout Croatia with immediate effect.

LAV Projekt places particular emphasis on staying up to date with technological advancements and emerging trends to better serve their customers. In that light, Patricio Valenta, who heads up the audio department of LAV Projekt, is delighted to be representing Renkus-Heinz. “In our endeavour to establish ourselves as a premier system integration company in Croatia, we place great emphasis on innovation and adaptability,” he explains. “We firmly believe that the groundbreaking technologies and integration ease offered by Renkus-Heinz will be pivotal in our success as distributors and system integrators.”

He makes special mention of Renkus-Heinz’s prowess for delivering high-quality audio in demanding spaces. “As we've been working on a lot of projects lately, we've come across spaces where it was very difficult to get adequate sound coverage and deliver audio excellence. We believe that with Renkus-Heinz’s expertise in innovative steerable sound solutions we will now be able to offer our clients an adaptable solution with premium sound in diverse environments.”

Renkus-Heinz Export Sales & Marketing Director, Michal Poplawski, welcomes LAV Projekt to the fold. “It’s been an exciting time for us in Europe over the last few months as we continue to forge partnerships with strong, highly motivated companies who share our passion for excellence,” he says. “We are fortunate to collaborate with LAV Projekt, a dynamic and rapidly expanding company with a highly skilled team who are a pleasure to work with. Their dedication to top-level customer service and after-sales service reflects our own values, and we know that we have the products they need to help them achieve their goals. I have every confidence that our collaboration will be mutually beneficial and significantly expand the reach of both Renkus-Heinz and LAV Projekt throughout Croatia.”
