

A Tribute to Jim Hallington, Clockaudio

It is with heavy hearts and deep sadness that Clock Audio announce the passing of their beloved founder, leader, mentor, and Managing Director, Jim Hallington. Jim passed away at his home in Waterlooville Hampshire UK on February 20th, 2024, at the age of 92. Over the last few years Jim reluctantly took a step back from the business after being diagnosed with frontotemporal dementia, leaving Clockaudio in the capable hands of his adoring wife and soulmate, Tina.

Jim leaves behind a legacy of determination, passion, courage, and commitment that were truly the building blocks for Clockaudio and will continue to be the company's foundation for years to come. Over his illustrious and incredibly successful career, Jim took the AV world by storm when he incorporated Clockaudio Ltd in 1994 at the age of 62. Since then, the company has continued to grow steadily and now covers a global footprint.
