

Arturia MiniLab 3 Alpine White

MiniLab 3 Alpine White is a music-making controller keyboard with a fresh makeover. Control music software, create your own tracks with inspiring sounds & samples, and get playing with comfy keys & pads - all in dazzling white.

Rediscover the keyboard controller of choice for today's production pros & beginner music makers alike, decorated with a lush modern aesthetic to elevate any setup. This mini keyboard controller is going for that ultra-clean, contemporary design vibe with a white exterior, white keys, and white controls. Explore amazing synth & instrument sounds on your computer, make beats & musical ideas in minutes, and sharpen your production skills - great for beginners. Play keys, punch in a drum loop, connect to MIDI gear, and get creative with premium musical software included as standard.
