Arturia KeyLab 88 mk3

Designed to enhance every aspect of your music-making process, from integrating effortlessly with your DAW to supporting musical ideation - take full command of your setup like never before. From the expressive hammer-action keybed to the integrated visual interface, every aspect of KeyLab 88 mk3 is crafted to keep you focused on your music and in command of your workflow.

Discover a full-size Fatar TP/110 hammer-action keybed with aftertouch. From soft, delicate passages to powerful, dynamic chords, every nuance is captured. KeyLab mk3 offers advanced connectivity with major DAWs (Ableton Live, FL Studio, Logic Pro, Cubase and Bitwig Studio), allowing you to view contextual information on-screen and have complete control of software and hardware. With Analog Lab Pro, Ableton Live Lite and a range of timeless instruments from the world-renowned V Collection - start making music right away.

The addition of an 88-key model completes our KeyLab mk3 series - joining the acclaimed 49 and 61 key versions. From compact studio setups to full-stage rigs, KeyLab mk3 combines minimalist elegance with a robust, tour-ready build - crafted for musicians who demand both style and substance.
