Best Service Chris Hein Hybrid Winds

Best Service announces the 10th anniversary of Chris Hein Winds, featuring the launch of the new Hybrid Winds. This innovative library combines woodwinds, strings, brass, and synthesizers, offering a fresh sound palette for composers.

Highlights of Hybrid Winds:

- Hybrid instruments blending woodwinds with strings, brass, and synths.
- Dynamic sound shaping with real-time control.
- Up to 128 velocity variations per note.

New Chris Hein Winds Bundles:

- Chris Hein Winds Solo Vol. 1-5: A collection of solo instruments including flutes, clarinets, and oboes.
- Chris Hein Winds Complete: Combines Solo Volumes 1-5 with ensemble options for a full orchestral experience.
- Chris Hein Winds Ultimate: Includes all solo volumes, ensemble options, and Hybrid Winds.

CH Winds Bundles

To commemorate this milestone, Best Service are offering up to 30% off all Chris Hein Winds products.
