Best Service Chris Hein EASY Series

The Chris Hein - EASY Series offers eight outstanding instrument libraries that enrich music productions with simplicity and flexibility. These libraries are especially suitable for those who want to create professional sounds quickly and effortlessly without dealing with complex user interfaces.

Chris Hein EASY Complete Vol.1 Tonal Percussion includes:

- Keys, Harp, MyTube, HandPan, Kalimba, Glockenspiel, Marimba & Vibraphone

The EASY Series combines acoustic and electronic sound worlds – from the warm resonance of the Vibraphone to the unique sound of MyTube. With this collection, musicians and producers can quickly and efficiently expand their sound palette.

With the EASY Series, users can either purchase the complete collection ($/€199) or select individual instrument packs starting at $/€49. This flexibility allows for a tailored expansion of your sound library. The Chris Hein EASY Series is now available directly from Best Service.
