Best Service Arabic Percussion

Bassam Ayoub, a master of Arabic music and a multi-instrumentalist, invites you on a musical journey. With his unmatched talent and dedication, he has created an extraordinary library that captures the essence of Arabic rhythms – the Arabic Percussion Collection. This library brings 13 authentic instruments directly to your workstation – each with its own soul and unique tonal color. Perfectly captured and

packaged in the finest quality to bring you the powerful beauty of oriental rhythms.

- Authentic Sound: 13 instruments, traditional and modern use
- Highest Precision: Up to 16 round-robins and 60 articulations for realistic sounds
- Vivid Rhythms: Authentic MIDI grooves performed by Bassam Ayoub
- Versatile Sounds: Darbuka, Dufouf, Katem, Khashkash, Sajat, Tura, and Riq
- Creative Freedom: Intuitive Engine Player interface for studio and live

Arabic Percussion Collection is now available at Best Service and all authorized resellers for €/$ 199.

The Arabic Percussion Collection is also available as individual products. The metallic Sajat adds driving accents to your tracks, while the Darbuka delights with versatile beats. The lively Khashkash brings rhythmic details to life, the Dufouf opens up a broad sound spectrum, and the elegant Riq combines drum and jingling sounds into a unique highlight.

- Arabic Percussion Riq is now available for €/$ 39.
- Arabic Percussion Sajat is now available for €/$ 29.
- Arabic Percussion Dufouf is now available for €/$ 99.
- Arabic Percussion Darbuka is now available for €/$ 49.
- Arabic Percussion Khashkash is now available for €/$ 29.

A crossgrade for registered users of a Bassam Ayoub library is available for the first two weeks (until December 24) for €$ 149.
