Austrian Audio OC16 & Hi-X15 Bundle

Step up to Austrian Audio quality this summer and save: Throughout the months of June and July 2023, Austrian Audio is offering a free pair of their Hi-X15 headphones (a value of $119 / € 129.00 / £99.00) to anyone who buys an OC16 Large Capsule Condenser Microphone from a participating retailer.

The OC16 is designed with high quality features at a very attractive price point. Just like the critically acclaimed OC18 and the OC818 models, the OC16 boasts a

transparent and natural sound. It’s an extremely robust microphone equipped with a patented CKR6 ceramic capsule, handmade in Vienna. This mic is the perfect all-rounder for every studio. Thanks to Austrian Audio’s unique Open Acoustics technology, acoustic problems such as unwanted reflections and standing waves within the microphone are minimized and the mic delivers the familiar, open and natural Austrian Audio OC (open condenser) sound.

The Hi-X15 Closed-back Over-ear Headphones are an ideal companion to the OC16. These headphones belong to the award-winning Austrian Audio Hi-X series, bringing the crystal-clear and precise listening experience of the proprietary High Excursion technology to everyday use at an unbeatable price. Super comfortable, durable all-metal construction, and with great insulation, they’re perfect for studio, stage, rehearsal room, on tour, or practicing at home.

This bundle is a great opportunity to add quality mics and headphones to any home or professional studio.
