

Genelec Scholarships for 2025-26

Genelec is once again demonstrating its dedication to education and nurturing the next generation of audio professionals by sponsoring two annual scholarships: the Genelec Dr. (pictured left) Audio Visionary Scholarship and the Genelec Mike Chafee (pictured right) Audio Pioneering Scholarship, both of which are presented to U.S. audio graduate students in association with the Audio Engineering Society Educational Foundation (AESEF) and are now accepting applications for the 2025 scholarship season. Entries are being accepted through May 15.

Genelec Dr. Ilpo Martikainen Audio Visionary Scholarship: The Genelec Dr. Ilpo Martikainen Audio Visionary Scholarship was established in 2018 in honor of Genelec's late founder Dr. Ilpo Martikainen. For many years Dr. Martikainen was involved in the Audio Engineering Society, including being presented with the AES Fellowship Award for significant contributions in the field of loudspeaker development in 1993, and in 2015 delivering the Richard C. Heyser Memorial Lecture at the 138th AES International Convention in Warsaw, Poland. This scholarship is awarded annually to U.S. graduate students in the field of audio engineering who are members of the Audio Engineering Society (AES). The scholarship, in the amount of \$5000, is being offered in association with the Audio Engineering Society Educational Foundation to students who have a passion of

advancing audio through innovation and technology development.

Genelec Mike Chafee Audio Pioneering Scholarship: The Genelec Mike Chafee Audio Pioneering Scholarship was established in 2022 to promote the advancement of women in the audio industry while paying tribute to noted long-time Genelec manufacturer's representative, audiophile, sound designer, acoustician, audio evangelist and supporter of women in audio, Michael Chafee. The scholarship is offered annually to U.S. female graduate students in the field of audio engineering who are members of the Audio Engineering Society (AES). The Mike Chafee Audio Pioneering Scholarship, in the amount of \$5000, is being presented in association with the Audio Engineering Society Educational Foundation to female students who have a passion of advancing audio through innovation and technology development.

Visit the first Website below to apply and for more information; entries are being accepted through May 15.
