Miantic AV New AudioControl Pro Distributor

AudioControl has announced the appointment of Miantic AV as distributor of residential AV solutions in India. AudioControl joins RTI as part of the AVPro Global family of premium brands represented by Miantic in the region. Miantic AV is a specialist distributor of market-leading technologies, supplying professional AV installers with innovative, award-winning audio/video products and integrated whole home solutions. Founded in 2016, Miantic AV is based in Hyderabad, Telangana, India, where the company operates an experience center displaying the latest solutions, with a satellite corporate office in Ahmedabad, Gujarat, India. The Miantic team has established a reputation for supporting integrators in the region with outstanding services and best-in-class solutions.

“We are confident that the team at Miantic will help AudioControl establish relationships with key integrators and home theater specialists across their territory, expanding brand visibility while bringing AudioControl’s newest high-performance entertainment solutions to enthusiasts in India,” explained James Trumper, VP, International Sales at AVPro Global. “With the recent introduction of Bijou amplifiers and the upcoming release of Hyperion home cinema products, 2026 and beyond will be exciting times for AudioControl and Miantic.”

“We are excited for the opportunity to present the latest home entertainment solutions from AudioControl to integrators and home theater specialists across India,” explained Manoj Manchala, Director at Miantic AV. “AudioControl’s 50-year legacy of superior products and award-winning support services will be the perfect
