

Sonic Nomad Swara

Sonic Nomad introduces Swara, a powerful cross-platform virtual instrument created for modern Indian music production.

Inside, you'll find:

- 200+ high-quality sounds
- 200 drag-and-drop MIDI files
- Authentic Indian instruments and textures
- Production-ready presets for instant inspiration
- An intuitive interface built for a fast workflow

Whether you're producing Bollywood, Indian pop, fusion, lo-fi, cinematic music, or contemporary beats, Swara makes it easy to bring expressive Indian character into your tracks. Explore the sounds, drag in a MIDI pattern, and start creating in seconds.
