

## Sonic Nomad Fuego MIDI Pack

Sonic Nomad introduces Fuego MIDI Expansion Pack 1 - a powerful collection of 256 drag-and-drop MIDI files built specifically for Fuego. This pack gives you fully arranged musical ideas across popular Latin styles:

- Cumbia (20 ideas / 74 MIDI files)
- Merengue (24 ideas / 61 MIDI files)
- Reggaeton (17 ideas / 61 MIDI files)
- Salsa (13 ideas / 60 MIDI files)

Each idea is broken into parts (bass, chords, melodies, and more), so you can instantly build full tracks or customize them to your sound.

Why you'll love it:

- Drag & drop directly into your DAW
- Instantly spark new ideas
- Authentic Latin phrases across multiple genres
- Designed to work seamlessly with Fuego

Whether you're producing reggaeton, salsa, or modern Latin-inspired beats, this pack gives you a serious head start. The MIDI Expansion Pack requires the latest
