Superbooth presents the „SooperWeek“

SUPERBOOTH BERLIN - the world‘s biggest trade fair for electronic musical instruments – is happening this week from Thursday to Saturday (May 16th to May 18th) on the grounds of the FEZ-Berlin. An international audience of professionals and enthusiasts from all over the world will travel to Berlin for the event. In addition to the SUPERBOOTH itself, there will also be an accompanying program with various side events. And in 2024, this side program, dubbed „SooperWeek“, is more extensive than ever before.

SooperWeek begins on Tuesday, May 14th at 7pm with a workshop at SchneidersLaden Berlin by the artist TamiX hailing from China who will also perform at SuperBooth24. More information can be found here.

On Wednesday, the day before SuperBooth, JacqNoise is hosting a pre-SuperBooth party at Ohm from 8pm. Among others, Blush Response, the YouTuber Cuckoo, Fess Grandiose b2b RMM and Trovarsi b2b ALX-106 will be playing. More information can be found here.

Thursday, there will be an audio-visual installation by Robert Seidel and Nikolai von Sallwitz in the Kulturraum Zwingli Kirche e.V. from 8pm for those that wish to relax

after a dense first day of SuperBooth. More information here. Thursday, there will also be a more musically intensive option at Berghain from 9pm: the Hunger To Create label night, the experimental label of Dasha Rush, who played at SuperBooth back in 2019. The program includes live sets by Dasha Rush, Colin Benders, Le Ciel and a DJ set by Quelza. More information here. Thursday from 7pm, there will also be a party at Kater Blau: ATMOSPHÈRES Vol. 2 with Nadia Struiwigh, SURKID and more. More information here.

Friday from 7pm, the Novilla Art Center will host the Flux & Pulse event with live electronic music in the style of the Berlin School with the artists Filter-Kaffee and Kontroll-Raum, both of whom have already played at the SuperBooth. More information here. Friday, the Berlin-based developer Bitwig, who is also exhibiting at SuperBooth24, will be celebrating its 10th anniversary with a party at Klunkerkranich from 10pm with a live set by Stimming and other performances. More information can be found here. Friday there will also be a „Hyperbooth“ party at the Void Club from 11pm with Blush Response, who played at last year‘s SuperBooth, Zardonic and more. More information can be found here.

Saturday, Mykle Hansen is organizing a bike ride with synthesizers from Treptower Park to the SuperBooth event grounds, starting at 9.30am. The concept is called „Bleeps & Bloops Rides“ and originated in Portland. More information here. On Saturday night, this year’s SuperBooth afterparty will be a From Our Minds party hosted by Richie Hawtin at Watergate with DJ and live sets from our longtime SuperBooth friends Richie Hawtin and Sunroof (Daniel Miller & Gareth Jones), as well as sets and performances by the newcomers Franz Jäger, Declan James, dxrvo, machìna and Pooja B. SuperBooth visitors will receive an entry discount of 10 euros (15 euros instead of 25 euros) at the door of this party when presenting a three-day SuperBooth ticket and can queue at the guest list queue. More information can also be found here.

Sunday - the last day of SooperWeek – there is an event at Klunkerkranich from 4pm, the DiY Kit Day x Berlin Modular Society. There will be DiY workshops where participants can solder various kits, as well as musical performances. More information can be found here. There will also be two „invite only“ events on Sunday from two brands exhibiting at SuperBooth24: A 10th anniversary celebration from Verbos Electronics and another event from Korg Berlin. If you are interested, please contact the brands directly. Pre-sale tickets for SUPERBOOTH24 itself are still available at the website below There will also be a box office at the event.
