VSL Lyrical Legato for Horn 1 & 2

The Vienna Symphonic Library announces a special sale of the Synchron Brass Collection in addition to a free bonus patch offering a new “Lyrical Legato” articulation for the included Solo Horns. Synchron Brass is currently available at a special price of €435 for the Standard Library (reg. €575), and €595 for the Full Library (reg. €790). Customers can even save up to €100 more by using free Vienna Vouchers when purchasing.

Lyrical legato offers a slower, a bit more pronounced and beautifully natural transition between notes in slow and medium tempos. Registered users of Synchron Brass can simply add this new legato articulation for the solo horns using their Vienna Assistant. The Lyrical Legato bonus patch will also be included with every new purchase of Synchron Brass.

Synchron Brass is the TEC Award 2023 nominated virtual instrument collection including eight solo instruments and nine ensembles, recorded in the large hall of Synchron Stage Vienna. Captivating performances by world-class artists were extensively sampled with a new level of dynamic expressivity and musicality to create a versatile, flexible and very nuanced library that will add characcter and authenticity to any arrangement, from lyrical subtleties to bold fanfares.
